## ORDERING INFORMATION

**To order:** you can order online at our website (using a credit card or PayPal account), or complete Order Form and send it with payment check or purchase order to Penzar Development. We do not accept telephone credit card orders. Most online orders are processed within one business day (excludes weekends and US holidays).

Payment may be made using check or money order in US currency drawn on a US bank, credit card (online only), or wire transfer (international customers only, US\$300 minimum order). We also accept purchase orders from qualifying US businesses, educational institutions and government agencies. Purchase order terms are net 30 days (US\$1,000 minimum order). California customers must add applicable Sales Tax or attach a signed California Resale Certificate card.

**Shipping:** ESD (electronic software distribution) products must be downloaded online from our website by the customer. Domestic orders for packaged products are shipped via Priority Mail or FedEx. International orders are shipped via Air Mail, Express Mail or FedEx. Payment must include applicable shipping and handling charges. Please allow up to 3 weeks for delivery on international Air Mail orders.

**Software media:** packaged product software is shipped on CD-ROM.

**Return policy:** we accept returns of products purchased directly from Penzar Development within 30 days of invoice date when accompanied by a return authorization from Penzar Development. For packaged products all materials must be returned in original saleable condition. We do not give refunds or accept returns for software that have been activated. All returns are charged a 5% processing fee. Opened packaged products are charged an additional 10% restocking fee. Refunds do not include shipping and handling charges. International customers: we do not accept returns or give refunds for packaged products shipped to outside of United States.

**Updates and upgrades available only to qualified registered users. One update/upgrade per serial number.
